RESPONSE AND AMENDMENT

Sir:

This is in response to the Office Communication mailed July 7, 2003 wherein we were given one month time in which to make a complete listing of all the claims in the application. In the Amendment filed June 24, 2003 we only dealt with the claims being prosecuted and not those that were cancelled or withdrawn. This we have done in the attached, For ease of examination we have repeated the earlier filed amendment including the amended claims and remarks.
